Survey on Navigating Software Documentation

General Questions

* Thinking of the highlighted sentences you observed, and specifically the ones you thought were useful/important, are there any specific properties of these sentences that affected your rating?

> [ ]

* Thinking of the highlighted sentences you observed, and specifically the ones you thought were NOT useful/important, are there any specific properties of these sentences that affected your rating?

> [ ]

* Thinking of your general experience as a software developer: after you have identified a relevant Stack Overflow thread that you need to look at, what challenges (if any) do you encounter in navigating the information in the thread?

> [ ]

* Assuming Stack Overflow could highlight certain information for you in a given thread, what kind of information would you like to see?

> [ ]

* Some of the sentences you saw were conditional sentences (i.e., sentences with an if clause) that contained conditions related to
